16 This matter presently is scheduled for a status conference on February 16, 2007, at 2:30
17 p.m. Assistant Federal Public Defender Jerome Matthews recently entered the case as counsel of
18 record, and has not yet familiarized himself with all of the existing discovery, which is
19 voluminous, or the legal issues the discovery presents. It also appears that the defense will be
20 seeking additional discovery from the government. Counsel further understands that the Court
21 has made a complexity finding under 18 U.S.C. § 3161(h)(8)(B)(ii). For these reasons, Mr.
22 Ogele and the government STIPULATE AND AGREE that the Court continue this matter to
23 March ¹⁶2, 2007. The parties agree that the Court should exclude time under the Speedy Trial Act
24 for effective preparation of his defense, given the complexity of this case, and for continuity of
25 defense counsel.

8 I hereby attest that I have on file all holograph signatures for any signatures indicated by a
9 "conformed" signature (/S/) within this e-filed document.

10
11 Based on the facts set forth in the foregoing stipulation, the Court finds that there is good
12 cause to continue this matter to March 2, 2007 ^{11:30 a.m.} for a further status conference. The Court
13 excludes time under the Speedy Trial Act for effective preparation of the defense and for
14 continuity of defense counsel. The Court maintains its existing finding that this matter is
15 complex under 18 U.S.C. § 3161(h)(8)(B)(ii).

16 SO ORDERED.
